EXECUTIVE SUMMARY

Founded in 2002, Integrated Psychiatric Consultants is a leading behavioral health management and staffing group dedicated to providing accessible psychiatry, mental health, and addiction treatment services. With over two decades of expertise, IPC partners with healthcare programs and care settings across the United States to address the national shortage of providers.

CORE COMPETENCIES

Accessible Behavioral Health Services: Offering a full spectrum of psychiatric and mental health services, including assessment, diagnosis, and treatment for diverse populations.

Provider Staffing Solutions: Supplying highly qualified psychiatrists, psychiatric nurse practitioners, and therapists of all levels of licensure, to meet the specific needs of various healthcare settings.

Integrated Care Models: Seamlessly integrating into healthcare systems' existing models and services to enhance patient outcomes and continuity of care in behavioral health settings.

Continuous Quality Oversight: Providing end-to-end services through provider collaboration, peer-to-peer reviews, data analysis, and partner health reports to deliver the highest quality care.

DIFFERENTIATORS

High Retention Rates: Achieving a 95% provider retention rate and 95% partner retention rate – reflecting our commitment to excellence through long-term partnerships and consistent quality.

Experienced Leadership: Founded and led by psychiatrist Vishal Adma, M.D., who brings over 25 years of clinical and administrative experience to the organization.

Nationwide Reach: While based in the Midwest, IPC proudly partners with organizations across the United States, offering scalable solutions tailored to diverse regional needs.

Comprehensive Support: Beyond provider staffing, IPC provides a dedicated team member for one-on-one operational support and expertise for seamless integration, sustaining high-quality care across all our existing partnerships.

PAST PERFORMANCE

IPC has a proven track record of successfully partnering with healthcare programs and addiction treatment care settings of various sizes and levels of care, delivering high-quality behavioral health services that exceed expectations and ensure sustained success for our partners.
